

June 2,, 1986

Dear Attorney:

Recently, the undersigned met to discuss the idea of organizing the women of the local bar. The idea was met with great enthusiasm. We reached the consensus that such a need exists and that there is sufficient number of women attorneys in the area to support such an organization.

To this end, we decided to follow up by calling a general meeting of all women attorneys in the area. Using various sources such as the local bar directories and telephone directories, we drew up a list of women attorneys in the local area. Please share this announcement with other attorneys as it is very possible that some women were inadvertently left off the mailing list.

We hope that you will join us at this organizational meeting which will be held on Wednesday at 7:00 p.m., June 11, 1986, at the residence of Judge Rene Haas, 4751 Ocean Drive. (See map below.)

The purpose, structure and membership of this organization can only be determined by you. The following are some of the matters that will be discussed at the meeting:

- (1) interest in such an organization,
- (2) objective(s) of the organization, and
- (3) organizational structure.

Bring your ideas! See you there!

Respectfully,
