Dear Brenda:

I want to thank you for the spirit in which you volunteered to head the steering committee of the Coastal Bend Women Lawyers Association. As you noted, we tentatively targeted a follow-up meeting for late July. The exact date will largely depend on two factors:

- (1) the time needed by the steering committee to complete its work on the survey, and
- (2) the schedules of Judge Haas & Judge Tagle.

Please keep me apprised of the committee's activities.

Sincerely,

Marisela Saldana
